## ANIME

ADVANCED COMPUTER EYEWEAR

| FRAME | LENS | SKU/UPC |
|---|---|---|
| onyx | amber | ANI-00101<br>811127011028 |
| steel blue | amber | ANI-02601<br>811127011059 |
| onyx | crystalline | ANI-00103<br>811127011073 |

### ANIME

anime = style$^2$. With internally hidden spring hinges and covert branding on the temple tip, this frame speaks volumes without saying a word. The ANIME is deliberately full framed with calculated angularity. Perfect for those who know the immeasurable value of design and creativity when synthesized with performance and style.

### KEY FEATURES

- Aluminum-magnesium frame construction generates proper strength and optical stability through a hybrid lightweight metal alloy;
- Hidden spring hinges flex to ergonomcally fit a wide variety of head and face shapes;
- Lightweight construction and proper weight balance guarantee long wearing comfort without pressure points or fatigue;
- Micro-engineered lenslocks securely retain lenses without undue stress or distortion of the optics;
- Adjustable floating nose pads articulate in 3 dimensions to properly fit and comfortably secure eyewear in place.
